

Youth Ministry | Youth Summer Intern | Job Description | Part Time (15 hours)

Purpose:

Planning and leading Middle School Summer Programming, relating to and encouraging students, and engaging entering fifth graders. Work with the Youth Ministry Staff on the 2019/2020 program year for Middle School at SVPC.

Primary Responsibilities:

- Leading Middle School in the Park program starting around June 1, ending at the end of August. This program includes sharing a meal in the park, playing outdoor games and enjoy fellowship.
- Organizing and leading other activities during the summer for middle school students. Dates and names for the activities need to be provided by April 21.
- Supervise and build relationships with students, and especially engage the entering sixth graders.
- Work together with Youth Admin to communicate all details about events to parents and students in time.

Qualifications:

- Ability to lead a group of middle school students in a way that engages them and helps them to build faith and a community of their own
- Can identify opportunities for improvement and work together with Youth Ministry staff to make those improvements happen
- Safe Church Trained and compliant

Expectations:

- Around 15 hours per week, payment will be by the hour
- Attend middle school events
- Available most weeks in June, July and August of 2019
- Clear, open, honest and kind communication
- Comfortable in a fast-paced and fun environment

Reports to:

- Associate Director of Youth Ministry
